### SUMMARY

I'm a Software & IT developer in progress, studying Computer Programming at Istanbul University. I'm developing my skills in AI, embedded systems and modern software technologies.

### CAREER

- 2022 - PRESENT

#### SOFTWARE DEVELOPER

##### Freelance

- Technically focused on development processes within Artificial Intelligence (AI) and embedded systems.
- Driving the integration of innovative technological solutions into the startup ecosystem.

### EDUCATION

- 2016

#### ISTANBUL UNIVERSITY

##### Associate's Degree (Computer Programming)

- Member, 2025-2027

### SKILLS

Solid foundational knowledge in programming languages, including Python, C#, and C, with focused ongoing development in Embedded Systems. Experienced in creating mobile applications with Flutter, developing web projects using HTML, CSS, and JavaScript, and building hardware-software solutions with Arduino.

**COVER LETTER BY**

# **Abdullah Kaşgar**

**Software Developer**

**DEAR HIRING MANAGER**

I am writing to express my strong interest in opportunities where my software and IT expertise can be applied effectively. As a Computer Programming student at Istanbul University with a focus on AI, embedded systems, and modern software technologies, I possess a robust technical foundation.

I am proficient in key languages including Python, C#, and C, with practical experience in mobile development (Flutter), web projects (HTML/CSS/JS), and hardware-software solutions (Arduino/Embedded Systems). My entrepreneurial drive leads me to architect innovative technological efficiencies.

With Professional English and Advanced Arabic proficiency, I am equipped to operate effectively in multilingual and international environments. I am confident that my technical focus and passion for efficient solutions will make me a dedicated and valuable asset to your team.

I look forward to discussing how my abilities align with your needs.  
Sincerely,

Abdullah Kaşgar - Software Developer in Progress
